

# Overview of the Disney Wonder

Congratulations on selecting the Disney Wonder ship for your cruise!

The Disney Magic was the original Disney Cruise Line vessel, **and the Disney Wonder premiered one year later.** She retains all of the original charms, while embracing a collection of modernizations and upgrades to feel brand new.

Disney delivers the same kind of "wonder" they're so well known for on each of their enchanting cruise ships, but I want to share with you some of the details that make the Wonder ship truly special and unique.

In true Disney style, there is fun and excitement in store for all ages and preferences.

**Whether you're into Broadway or Comedy, Sports or Movies, you'll be amazed at all the entertainment options available onboard!**

## Onboard Entertainment

Three Broadway-style shows are performed on the Disney Wonder: "Twice Charmed," a twist on the Cinderella story; "Disney Dreams – An Enchanted Classic," an original show with cameos by characters like Peter Pan and Aladdin; and "Tangled: The Musical," featuring stunning sets and beloved songs from the film.

In addition to nightly live music, magic shows, comedy performances at Fathoms and karaoke, families can take in Marvel, Pixar, Disney and "Star Wars" films currently in movie theaters at the full-size Buena Vista Theatre. On the outdoor upper decks, the Wide World of Sports offers basketball and ping pong, a selection of pools and hot tubs and the famed AquaDunk waterslide, with an incredible 3-story drop.

**No one understands kids like Disney, either. Aboard the Wonder, you'll find activities specifically designed for toddlers all the way through teens!**

## Exclusively For Kids

Whisk down a Slinky Dog slide in the "Toy Story"-themed, join the Lion Guard or learn how to be a hero with lessons from Thor within a MARVEL Super Hero Academy, inside Disney's Oceaneer Club, open to children ages 3 through 12. There are even more exciting Disney experiences throughout Disney's Oceaneer Lab, Vibe teen club and Edge tween club, all included with Disney Cruise ship sailings. ("It's a small world" nursery, which charges a nominal hourly rate, is also available for children ages 0-3.)

**The Wonder also has a variety of experiences to appeal to your adult senses, too!**

## Experiences For Adults

There are a collection of bars on the Wonder that brings live music nightly to the Cadillac Lounge, a classic old Hollywood piano bar, and an opportunity to catch up on sports at Crown & Fin Pub, while Palo, a higher-end restaurant that requires a surcharge and reservation, is the ultimate Venetian style date night. You can also enjoy Disney Wonder Senses Spa and adult beverage-tasting events.

**And no one does dining quite like Disney! Aboard the Wonder you'll find plenty of unique dining experiences from child-pleasing casual fare to character dining, Disney Wonder makes dinner both delightful and memorable!**

### **Disney Dining**

On the Disney Wonder cruise ship, you will rotate amongst three restaurants nightly. **Tiana's Place, exclusive to the Wonder**, provides a themed night of lively jazz music, Louisiana home cookin', and special appearances by characters from Princess and the Frog. At Animator's Palate your California Fresh dinner is enjoyed surrounded by mementos from Disney and Pixar animated films that "come to life" throughout dinner, and Triton's offers fine dining "Under the Sea" with influences from the Little Mermaid including a French-inspired 4-course meal created by Chef Louis.

Casual meals can be had at all-day buffet Cabanas or ordered via 24-hour room service on board the Disney Wonder. Otherwise, stop by Pete's Broiler Bites for hot dogs, chicken fingers or a shawarma sandwich, enjoy a quick lunch at Pinocchio's Pizzeria or something healthier from Daisy's De-Lites on the upper Disney cruise ship decks.

As you can see, you have so much to look forward to on your Disney Wonder Cruise.
