

Recreation on the Disney Wish

While the kids' clubs are an amazing feature, sometimes you just want a chance to have some active family fun and Disney Wish does not disappoint!

POOLS

Guests of all ages can enjoy swimming pools, along with other water areas.

- **Chip And Dale's Pool**
 - This secluded family pool on Deck 14 is the first of its kind and offers a less hectic family pool experience. Perfect for families looking to get away from the hustle and bustle while still enjoying amazing views from the highest point on the ship.
- **Quiet Cove Pool:**
 - This adults-only pool is located towards the front of the ship to provide a more serene and peaceful environment than that of the family pools. It includes 2 hot tub areas and a bar. It's the perfect place to relax while the kids participate in other onboard activities.
- **Expansive pool district themed to Mickey and friends:**
 - Located on decks 11 and 12 midship, this area includes six pools of various sizes and depths, surrounded by lounge chairs to provide families with space to relax and soak up the sunshine. Throughout the day, guests can enjoy a variety of poolside entertainment on Funnel Vision, a jumbo LED display that shows Disney movies, TV shows, live sporting events, and more.

Keep in mind adult supervision is required for anyone under 16 and lounge chairs are only available on a first-come, first-served basis.

There are also games and activities hosted by Cast Members throughout the day.

SPLASH ZONES

- **Toy Story Splash Zone**
 - This pool invites toddlers and small children to get wet with Woody, Buzz, and the Toy Story gang! It includes a splash zone, a wading pool, and the Slide a Saurus Rex Family Waterslide.
- **Aquamouse:**
 - The AquaMouse is exclusive to the Disney Wish. Families will be immersed in The Wonderful World of Mickey Mouse animated shorts, complete with eye-catching lighting and special effects, and some spectacular surprises. This is a first-of-its-kind water ride that sends families on a fun adventure through 760 feet of winding tubes suspended high above the upper decks.

SPORTS AND FITNESS

Stay fit while on vacation at the full-service gym, featuring state-of-the-art weight machines and exercise equipment, and specialized fitness classes all while taking in magnificent ocean views.

At the **Hero Zone**, it's GAME ON! You'll find action-packed, physical challenges, and game-show-style competitions at this innovative recreation space where families are invited to play together.

Featuring a sports court, game floor, playground, and a movie theater, Hero Zone provides physical activity and fitness fun for the entire family!

Also available basketball court, air hockey, and foosball tables, and an occasional inflatable obstacle course themed to the Incredibles.

Other Activities

- **Shuffleboard** – Try your hand at shuffleboard! Slide into fun on one of the shuffleboard courts, always waxed to perfection. Whether you play traditional one-on-one "knockoff," team up for "Horse Collar," or try the adventurous "Crazy Eight," shuffleboard on a cruise is essential.
- **Running Track** – While the Wish's open deck offers varying levels to lounge about and play shuffleboard, there is no straightforward walking/running path that wraps around deck 5.
- **Senses Fitness** – The Wish offers state-of-the-art exercise and wellness facilities, including the main room with exercise equipment, weightlifting machines, and free weights, along with a cycle studio and aerobics room. Currently, complimentary, instructor-led fitness classes will be offered throughout the cruise.

Just because you're out to sea, doesn't mean you can't get in some fantastic exercise and physical activity. Disney Wish makes it possible to incorporate *both* fitness *and* family fun into your vacation, all while soaking up the sun and sea breezes. Your family is going to love all the recreation options on the Disney Wish!
