BEVERAGE MUG QUICK TIPS

- Use your mugs for your beverage during your Quick Service meals at the resort. Since you also receive a drink with your QS credit, consider:
 - getting bottled water for your day in the parks
 - getting an individual milk carton for a late-night snack or breakfast cereal in your room
 - exchanging your drink for a dessert
- You won't be able to get a beverage refill in your mugs at the parks, but if you don't mind carrying them with you, they are excellent for keeping water cold during your park day.
 - Every QS restaurant offers a free cup of water at the parks, transfer your water to the mugs. It will keep your water cooler all day.

Quick Tip:

Use your mugs at breakfast. Then, store them in a small bag with Bell Services. Retrieve them when you return from the parks, and fill them on the way back to your room.

If you are staying at a [Disney Skyliner Resort](#), - you may have the opportunity to upgrade your beverage mug to a stainless hot/cold tumbler for \$10.
